**\* Please list the classes, especially alternates and electives, in the priority you would like them, in case scheduling conflicts require a choice be made.**

*\* For AP classes, you must have submitted an Understanding of Expectations Form and meet minimum grade requirements. For other classes requiring teacher approval please have the teacher sign next to the class name.*

*\* Listing a class under 1<sup>st</sup> semester or 2<sup>nd</sup> semester does not necessarily indicate when the class may end up being scheduled.*

*\* If you are unsure about whether to request a study hall, remember it is easier to drop a class and add study hall than it is to drop study hall and add a class.*
